

Dynamic two-day seminars designed to teach the latest models, strategies, and practices of successful wellness programs.

### Learn to...

- Plan and design a wellness program or improve an existing one
- Increase participation levels
- Track participants' progress
- Measure and evaluate your results
- Produce positive ROI

**Register early and save \$100**

### Who should attend?

- Health promotion specialists
- Wellness program directors
- Human resource managers
- Employee wellness directors
- Community health professionals
- All health professionals are invited

### You will leave with...

- A wealth of information
- Valuable professional contacts
- A reference notebook and CD filled with valuable health data, forms, PowerPoint® presentations and other resource materials to enhance your program
