

ABOUT OUR SPEAKER - Sandy Wezowicz is a gifted teacher and a passionate lover of Israel.. She has served in Aglow at the local, regional and national levels in the United States since 1980, and as a teaching elder of the Presbyterian church at her home congregation in New England. Sandy is a Kingdom builder- calling people up to embrace and walk in their true identity. She has a passion to help equip men and women by the transforming power of God to step into their unique destiny to impact their world.

On Aglow's first trip to Israel in 2000 God captivated Sandy's heart for the land and the people. In 2006 she developed Aglow's **Watchman on the Wall for Israel** program and became Director, traveling throughout the United States, Canada and several European nations presenting the weekend long seminar. In 2011 Sandy was appointed as Israel Education Director for the ministry. Her heart is to educate and activate the Body of Christ to be effective advocates and intercessors on behalf of Israel and the Jewish people. She serves as a member of the Aglow Israel Council, a body that helps discern the direction of the ministry for the Israel mandate and solidarity trips to Israel.

Sandy often declares, "This is the greatest time to be alive!"
