## Aglow International Mission Statement

Our mission statement is descriptive of what we do and addresses the question of why we exist. These are the things God has called us to do as an organization.

Aglow International is a Kingdom Movement committed to seeing God's will done on earth as it is in Heaven. We do this through:

- Mobilizing millions into a company of warriors, champions, and global leaders of significance.
- Establishing powerful Kingdom Communities founded on the fullness of Christ in every nation of the world.
- Empowering people to develop resources that enable them to take advantage of all that God is releasing from Heaven.
- Forming apostolic teams that demonstrate the power of Heaven in the darkest places of earth.
- Cultivating a worldwide presence that creates an atmosphere of celebration, impartation, and restoration.

## **AGLOW International in our Nation's Capitol!**

Aglow International is taking teams from each region of this nation into Washington DC on a monthly basis.

These prayer journeys are exciting times of walking through portions of our governmental places and praying blessings on our nation and on our leaders!
