

We don't have cars. We have customers.

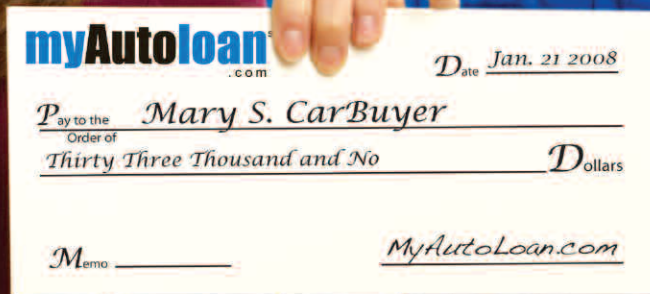

80% of our customers will have a check-in-hand, and ready to buy a car. Preferred Dealer is a national network of quality car dealers with a desire to gain new, ready-to-buy customers. Our pre-approved car buyers arrive with financing and all you have to do is put them in the driver's seat.

If you prefer selling cars, become a Preferred Dealer®. Each month, we approve hundreds of car buying customers in your area, mail them a check and send them to a Preferred Dealer.

Contact us to choose your spot on our exclusive Preferred Dealer Network and start getting these customers.
